ALEXANDRIA, VA., MONDAY EVENING, JULY 23, 1906.

PRICE 2 CENTS.

OPEN PUBLICITY THE BEST GUARANTEE OF MERIT.

When the maker of a medicine, sold through druggists for family use, takes the trouble to put his name on the wrapper, and a full list of all its ingredients in plain English, this action on his part is the best possible evidence that he is not afraid to have the search light of investigation turned full upon his formula and that it will bear the fullest scrutiny and the most thorough investigation.

Dr. Pierce's Favorite Prescription for the cure of the weaknesses, periodical pains and functional derangements of the organs situated in the female, is the only medicine put up for family use, through druggists, for woman's special use, the maker of which is not afraid to take his patients into his full confidence by such open and honest publicity.

A glance at the published ingredients on each bottle wrapper, will show that it is made wholly from native American medicinal roots, that it contains no poisons or habit-forming drugs, no narcotics and no alcohol—pure, triple-refined glycerine, of proper strength being used instead of the commonly employed alcohol, both for extracting and preserving the active medicinal properties found in the roots of the American forest plants employed. It is the only medicine for women's peculiar diseases, sold by druggists, that does not contain a better percentage of alcohol, which is in the long run so harmful to woman's delicate nervous system. Now, glycerine is perfectly harmless, and serves a valuable purpose by possessing intrinsic value all its own, and besides it enhances the curative effect of the other ingredients entering into the "Favorite Prescription."

Some of the ablest medical writers and teachers endorse these views and unite all the several ingredients of which the "Favorite Prescription" is composed—recommending them for the cure of the very same diseases for which this world-famous medicine is advertised.

Professionals of medicine have such professional endorsement—worth more than any number of ordinary testimonials. If interested, send name and address to Dr. R. V. Pierce, Buffalo, N. Y., for his little book of extracts from the works of eminent medical writers and teachers, endorsing the several ingredients and telling just what Dr. Pierce's medicine are made of. It's free for the asking.

MEN ARE POWERLESS

To Fight Against Disease Unless They Strike at the Underlying Cause.

To treat Dandruff and Falling Hair, with irritants or oils on which a parasitic germ will prosper, is like scooping water from the ocean to prevent the tide from rising.

You cannot accomplish a satisfactory cure without having a right understanding of the fundamental causes of the trouble.

You must kill the Dandruff Germ. The Dandruff Germ does this because it is especially made to do that very thing.

When the germ is removed, the hair has no chance but to resume healthy growth and beauty.

Destroy the eggs, you remove the effect.

Sold by leading druggists. Send 10c. in stamps for sample to The Hairdressing Co., Detroit, Mich.

LABOR AND POLITICS.

The following extracts from the campaign programme issued by the American Federation of Labor are published:

"Congress has turned a deaf ear to the voices of the masses of our people; and, true to our declaration, we now appeal to the working people, aye, to all the American people unitedly to demonstrate their determination that this republic of ours shall continue to be of, for, and by the people, rather than of, for, and by the almighty dollar.

"Congressmen and Senators, in their frenzied rush after the almighty dollar, have been indifferent or hostile to the rights of man. They have had no time and as little inclination to support the reasonable labor measures, the enactment of which we have urged, and which contained beneficent features for all our people without an obnoxious provision to any one.

"If it has come to a condition in this, the greatest and wealthiest nation on earth, that the almighty dollar is to be worshiped to an extent of forgetting principle, conscience, uprightness, and justice.

"Labor men of America, assert your rights! And in addition to strengthening your faith and loyalty to your organization on the economic field, exercise your full rights of citizenship in the use of your ballot. Elect honest men to Congress and to other halls of legislation, and by so doing you will more completely and fully carry out your obligations as union men, and more than ever merit the respect of your fellow citizens."

Revolutionary Proclamation.

The following proclamation, which reads like a page out of the history of the ravages of the French revolution, and which was adopted by the Red Hundreds, a revolutionary organization at Baku, is cited in justification of the decision of the government to apply stern measures:

"It is the spirit of holy vengeance which calls upon you to destroy all enemies of the people. Let the bomb and the bullet carry death to the parasites and executioners of the people and establish anti-bourgeois terror. Fallen is Bogachoff, who dared to deny the demands of the workmen; fallen is Skoleff, the exploiter who refused us money; fallen is the spy Dolschaff, the faithful dog of state, who would not heed the words of the (liberal) Dungech at St. Petersburg in favor of a propaganda of deeds and not words. The time has come to unfurl the black flag of anarchy. Down with the false Parliament. Long live murder and anarchistic communism."

Mystery Solved.

The mystery regarding the whereabouts of Mrs. Anna E. George, who was charged with murdering George Saxton, brother-in-law of the late President McKinley, at Canton Ohio eight years ago, has been cleared up by the suicide at Ravenna, Saturday, of Dr. Arthur C. Ridout. The deed also disclosed Mrs. George's marriage. Not until yesterday was it known that she became the wife of Dr. Ridout at Wheeling, W. Va., six years ago. The woman was acquitted of the murder of Saxton after a long and sensational trial in which it was proved that she shot him in self-defense. At that time Dr. Ridout was living in Salem, near Canton, with his first wife and their three children. Ridout was divorced from his first wife, and two years later married Mrs. George. Dr. Ridout was married to do. He committed suicide at his home by hanging himself to a chandelier with a harness strap.

Flight Among Excursionists.

In a light Saturday night between persons on the wharf and others on the steamer Bonanza, at Ironton, Ohio, Carl Mayenoch was killed and four persons wounded. The steamer Bonanza had been chartered for an excursion from Calletsburg, Ky., to Ironton. A large crowd was at the wharf when the Bonanza was ready to leave, and it is said that several Ironton boys boarded the steamer and were put off by the policeman of the boat. Just after the steamer cleared the dock, a shower of stones, thrown presumably by the boys and their friends, fell among the crowds that lined the rails of the steamer. Immediately a shot rang out from among the crowd on the deck of the boat, and a moment later a volley was fired from different places on the deck. About thirty shots were fired. Many inhabitants worked to a frenzy over the incident, swarmed the streets for several hours vowing vengeance on the shooters.

Dowie Starving.

John Alexander Dowie is said to be starving in his splendid mansion, Shiloh House, in Zion City. That the old man is in desperate straits for money was admitted yesterday by his private secretary, O. L. Speicher. "If it was not for the number of old friends who have continued to look out for Dowie during the period of his adversity," said Speicher, "the doctor would be in need of the necessities of life. Since he has returned to Zion he has not received a cent of the revenues of the industries of the place, which have all been diverted by Voliva to his own uses or turned over to his friends. It is pretty hard when one thinks that when the doctor has, by right, the title to all these lands and buildings he should be here and see the city raided without being able to get enough to satisfy his immediate need." Dowie will hold a big celebration in the tabernacle today.
